The Future of Cattle.

For many years prior to 1883 cattle raising was a very lucrative business. Since that time it has been on a decline, so far as prosits are concerned. While the raising of cattle was bringing in good returns, capitalists who had no practicul knowledge of the business were invalues began, coupled with heavy The Prohibitionists are in fine spirand terrible winters in the West, the have to supply the markets in the prices less than the cost of produc- 000 people visited the city, and a tion. From all the indications we drunken man was scarcely ever seen can gather in the premises, we believe during the whole ten days, and a debilitated school teachers, milliners, now a good time to invest in cattle railroad conductor on one of the The present rush of cattle to the market on a forced sale is an omen

C. B. CRAWLEY, while not posted Kansas vs. Frank Gaston occupied in the minutiae of the law practice in the courts of Kansas, seems to have been sharp enough to catch on the charge of stealing \$151 from Art to some of the crooked ways of offi-Moak. At the preliminary trial the cials out there, which he used to good advantage in Frank Gaston's trial. It seems the prosecuting witness, who claimed to have lost the prisoner was defended in an able \$150 which Frank was accused of manner by C B Crawley, of Keytes- taking, had been indicted for selling of this city. The argument on both had been sentenced to thirty days The jury was absent about an hour imprisonment in the county jail. He and returned with a verdict of "not had been released, but as a matter of fact, had only served six days of C. B. Crawley, John Gaston, Landy the time in jail. While he was out Sneed, Joe Hansman and Charlie and during the time he ought to have been in jail, according to Missouri justice, he claimed to have lost to cheating the law's demands himself, is not usually a reliable witness against others. Of course there was collusion on the part of the sher:ff who should have executed the mandate of the court, but who proved to be very easy on a certain class of violators of law when placed in his keeping.

> A GIFT .- Go to Martin & Applegate druggists, Keytesville, and get a bottle FREE of the Great South American Nervine Tonic and Stomweakness and failing health ever imported into North America. This cures when everything else fails.

> READ TESTIMONIAL BELOW Ed. J. Brown, druggist, of Edina, Mo., writes: "My health had been very poor for years, I only weighed 110 pounds when I commenced using "Nervine Tonic," I have used two bottles and now weigh 130 pounds, customers see what it has done for me and buy it eagerly. It gives great satisfaction.

D B Lucas and Judge Faulkner, of West Virginia, are having a contest as to which of them has the legal right to represent their state in the U. S. senate next winter. Their legisluture did not elect a senator last winter. Mr. Lucas was appointed by the governor. Subsequently there was an extra session of the legislature held, which elected Judge Faulkner. Mr. Lucas claims that Faulkner's election is void because the state constitution confines the acts os the legislature in special session to the business it was called together to perform. It was not called

Consumption, Scrofula, General lebility, wasting diseases of chil-Iren, chronic coughs and bronchitis can be cured by the use of Scott's Emulsion of Pure Cod Liver Oil with Hypophosphites. Prominent physicians use it and testify to its great value. Please read the following: "I used Scott's Emulsion for an obstinate cough with hemorrhage, loss of appetite, emaciation, sleeplessness, &c. All of these have now left, and I believe your Emulsion has saved a case of well-developed consumption."-T. J. FINDLEY, M. D., Lone Star, Texas. "I have for several years used Scott's Emulsion and find it to act well in consumption and scrofula, and other conditions requiring a tonic of that class."-J. D. Burton, Valdosta, Ga.

THE United Presbyterian antimusic convention held at Xenia, use of organs and other musical instruments in church. When there is a sufficiency of religion in the churches to show vital, Godly piety among the members that enables them to "dwell together in unity," there is neither time nor inclination to quarrel about such trifles. They can then "sing with the spirit and 37t4 understanding" whether led by an instrument or not.

Children Cry for Pitcher's Castoria.
